MEMORANDUM FOR Newly Assigned Personnel

SUBJECT: Welcome to the Mannheim Military Community

Congratulations on your assignment to Mannheim, Germany. As the Commander of United States Army Garrison Mannheim (USAG-M), I would like to take this opportunity to welcome you to our community. One of my primary concerns is to ensure that you are afforded the best possible service to make your tour in Germany a prosperous and memorable one. We are a diverse community with over 15,000 people assigned to 6 major installations. We have over 2,000 buildings and 2,185 housing units. As you can see, we are quite a large community.

With this memorandum you will receive a welcome packet which includes phone numbers, maps and informational brochures that will provide you with essential information about our community. Also, our Mannheim Orientation Spouses Tour (MOST) can help your spouse make a smooth transition to Germany and its customs. We hope this information will help you make the "MOST" of your stay here in Mannheim. I also invite you to visit the USAG-M website at <http://home.mannheim.army.mil/>.

As with any assignment, it is only as good as you make it. I invite you to become active in our community and help us make this the best place to live, work and play. The Army Community Service Center, American Red Cross, Department of Defense Schools, Youth Services or one of the numerous private organizations always need enthusiastic volunteers. They provide excellent opportunities to become actively involved in our community and to make a positive difference. Again, welcome to the Mannheim Military Community. We are here for you.
